Hi Omar,

Sarah has agreed to let me post the public hearing transcripts on our website. Will you check them to make sure they are 508 compliant please?

They are located at:

\\C0808F03EC005\Shar3\30 Day Share\Valois\Dewey Burdock\PublicComments\PublicHearingTranscripts

I will not be ready to send out the notification emails till next week, so let's plan to have them go live next week.

Thanks!

*Valois*

Yes, that's fine with me. Please work with Omar to make sure they are 508 compliant.

Thanks!

I have received an inquiry about when the public hearing transcripts will be available on our website. Can we go ahead and post those documents, since we already have them?

Thanks!

Dear Valois,

I hope this message finds you well.

I'm writing to inquire as to when you expect the transcripts will be available in the EPA docket for the public hearings which took place in late April and early May in Valentine, Rapid City, Hot Springs, and Edgemont <https://www.epa.gov/uic/extension-public-comment-period-dewey-burdock-class-iii-and-class-v-injection-well-draft-area-0>. Do you know when these transcripts will be posted online?

I appreciate your advice on this matter!

With best wishes,
